Our World

Wingreens World is a joint creative enterprise of India's most loved consumer brands - including **Wingreens Farms, RAW Pressery, Wingreens Harvest, Saucery, and others**. Together, the brands aim to nurture a house of new age better-for-you foods & beverages in India. With Wingreens World, the Indian consumer now enjoys a wider range of healthy snacks, beverages, sauces and spreads, specialty bakery, breakfast cereals, protein shakes and an assortment of products.

Our Promise

Fresher & Better For You

We're turning the food processing industry on its head, bidding goodbye to large mechanised production units, and saying hello to a healthier, fresher way to eat.

Minimally Processed, Authentic Taste

Our process helps preserve the nutrition and flavour of each of our ingredients. Nature does what it can do, we only do our bit to bring it to you!

We're Responsibly Sourced

Our scientific, ethical production process helps:

- Encourage natural farming
- Improve farm productivity
- Benefit local communities
